BORONDA INTERNATIONAL STUDY PROGRAM

Molly Lewis, Coordinator, Student International Program; Gary Smith, Art faculty; Janet Pessagno, English faculty; Kenny Padilla, photography student; and Cesar Mendoza, agriculture student gave a presentation on the 2007 Boronda International Study Program. Molly reported that since 1985, the Boronda International Study Program has traveled to Argentina, Mexico, Italy, Hungary, Washington D.C., Guatemala, Ghana, Japan, Taiwan, American Southwest, China, England, Spain, and most recently New York City. The students began to prepare for their trip with a spring 07 class instructed by Gary Smith where they learned about the culture and history of New York City. Janet Pessagno reported that she and the scholars scheduled four tours and participated in a variety of activities that included visiting museums, the Brooklyn Bridge, Ellis Island, Jazz Performances, the Ballet, and a Broadway play. Students, Kenny and Cesar stated that the trip was an important, significant opportunity for them.

Aaron Johnson stated that he is grateful for the program and it is an incredible learning experience for students. Molly announced that the 2008 Boronda International Study Program will be in Italy.

BOARD’S GOALS

Accreditation: Dr. Kathleen Rose reported that an Accreditation Site Visit was held on October 30-31, 2007. The Accrediting Commission will not meet until January 2008; however, the team was pleased with the progress the College has made and that on-going concerns surround sustainability, open dialogue, and processes for linking resources to the improvement plan. The next report is due March 15, 2008 followed by another site visit.

Aaron Johnson thanked everyone for their work.

CONSENT ACTION

A motion was made by Brad Rice and seconded by Berna Maya to approve Consent Actions Items; however, the motion was amended (see below) because Consent Action
Item 8 was pulled for discussion and separate vote by Trustee Martinez.

While approved, Consent Action Items 4 and 11 were pulled for comment and/or discussion.

**Consent Action Item 4**: Trustee Maya asked for clarification on the agreement between Hartnell College and the Salinas Adult School. Curriculum is currently under development by two college faculty and is expected to receive full approval by March 2008. Presently, both Cesar Chavez Library and Bardin Elementary School are potential sites for the classes. Other agreements have been established or are being established with Soledad Adult School, Greenfield, and Castroville.

**Consent Action Item 11**: Trustee Valdés recognized the faculty and staff for all of their efforts on the revision of course outlines and programs.

On a motion by Berna Maya, seconded by Brad Rice, and unanimously carried the Board moved to approve Consent Action Items, 1, 2, 3, 4, 5, 6, 7, 9, 10, 11, 12 and 13.
