Procedure (A)

Procedure

Observe that District procedures for disbursement of Bond Funds were applied in accordance with laws and regulations as described in the State of California Education Code, the California Chancellor's Office Budget and Accounting Manual, as well as approved Hartnell Community College District Board policies for expenditures through review and testing of actual invoices, purchase orders, and construction bid documents.

Results

At the direction of the District, we included 55 percent of all expenditures charged to the Measure H Bond Funds for the 2006-2007 fiscal year in our examination. Based upon our examination of actual invoices and purchase orders, there were no exceptions noted in the District's procedures related to the disbursement of Measure H Bond Funds. The District used formal bid procedures for those contracts over the construction bid level requirements and informal bid procedures for those contracts below the construction bid level to select contractors for the various projects in accordance with California Education Code requirements and District policy.
