Welcome Back!

What are you looking forward to this fall semester?

“I am looking forward to learning more about how I can apply my knowledge of
science in my career field in the future.”
Erica Padilla Huerta, Nutritional Science Major

“I am looking forward to all of my classes, learning new concepts and
achieving good grades.”
Isela Magalion, Biology Major

“I am looking forward to graduating!”
Hai Vo, Math Major

“I am looking forward to completing my second semester in the
vocational Nursing Program and graduating with a high GPA.”
Jenna Abed, Vocational Nursing Major

“I am looking forward to passing classes and transferring to Fresno State, then
joining the Police Academy.”
Isaac Oseguera, Criminal Justice Major

“I am looking forward to graduating, and transferring to UC
Santa Barbara, here I will study Molecular and Cellular Biology.”
Dominic Pena, Biology Major

“I look forward to graduating and transferring to UC Santa Cruz, where I
will study Infrared Spectroscopy.”
Diego Lucio, Chemistry Major
Congressman Panetta Town Hall

On August 14, I had the honor of moderating Congressman Panetta’s Town Hall meeting held at the Monterey County Supervisor’s chambers in Salinas. A special treat was in store for me after the meeting. A 1952 graduate of Hartnell introduced herself to me following the Town Hall. Mrs. Joyce Gordon and her husband Harold were in attendance. Joyce was a home economics major while at Hartnell. Her husband Harold is a Holocaust survivor. He was 10 years old when he entered Auschwitz concentration camp. He wrote a book about his experience titled "The Last Sunrise." They have been married for 67 years and they have lived in Salinas for 71 years.

Psychology Students Present Research

Congratulations to our Hartnell College students, Oscar Ramirez-Perez, Jonah Sale, Selina Espinoza, Jacqueline Cruz, Denise Sanchez, and Maria Lopez for presenting their psychological research, at the American Psychological Association Annual Convention on August 11, 2018 in San Francisco, CA. Recognition also goes to Lester Cayabyab who contributed to the research, but was not able to attend the convention. Students were mentored by Psi Beta Co-Advisors, Alicia Edelen and Dr. Yoshiko Matsushita-Arao.

Hartnell students Denise Sanchez, Oscar Ramirez-Perez, Selina Espinoza, & Xochitl Avila won sixth place in the nation for their research paper, "What’s in a Name? A Partial Replication Study of Predictive Power of Personalities vs. Situational Labels in Game Moves," Denise Sanchez accepted the Anastasi Research Paper National Award and the $100 check at the APA Convention on Saturday. We offer congratulations to these students for representing Hartnell College with outstanding scholarly work, professionalism, and enthusiasm for research in psychology!

Matsui and Hartnell College Collaborate Again!

Teresa Matsui reached out to Ana González, Director of Continuing Education, with a vision of encouraging Matsui employees to build on their English language skills at Hartnell College. On August 14 and 16, 2018, a team from Hartnell met with almost 90 Matsui employees interested in ESL classes. The team provided college information as well as application, assessment, and registration services. 45 Matsui employees are now Panther students and will be taking credit and/or noncredit ESL classes this fall semester! Referrals were also made to local Adult Schools. Thank you to the Hartnell team for quickly responding to this request. On site were: Fatima Barron, Manuel Bersamin, Stephen Carrillo, Ana González, Ariana Rodriguez, Ernesto Rodriguez, and Fanny Salgado. Additional support was provided by: Mary Dominguez, Irene Haneta, Carol King, James Beck, Kathy Mendelsohn, Dr. Jalomo, and Jackie Cruz.
Guardian Scholars Meet & Greet
Guardian Scholars hosted a Meet & Greet the Friday before Fall classes began. The Guardian Scholar program provides multifaceted support to individuals who have been in foster care at some point in their lives. Only about 3% of foster youth will graduate from a 4-year university (National Foster Youth Institute, 2018) which means the Guardian Scholar Program provides vital support to this resilient population.

After an ice breaker activity and networking, a few former foster youth individuals shared their personal experience growing up in foster care (pictured), how they gained strength to overcome challenges, and shared their wisdom with the new Guardian Scholars on how to be successful in school and build their community.

Thank you to all the campus programs and departments that attended and helped these students build their campus community.

*Dean of Academic Affairs
*Foster & Kinship Care Education
*Panther Learning Lab
*EOPS
*Speech Team
*Crisis Counseling
*Foundation
*TRiO

Transfer and Career Center Hosts Spring 2019 Admission Application Workshop
This Thursday, August 16, the Transfer and Career Center hosted its first Spring 2019 Admissions Application Workshop to assist our transfer students in submitting their transfer applications. Over 30 students were able to complete their application during this session, between 9 AM and 5 PM, with assistance from Program Assistant Jessica Lopez, and Counselors: Nayeli Figueroa, Norma Cuevas and Mercedes Del Real. There are still 2 more workshops coming up, August 23 and August 30, to assist transfer students seeking

Spring 2019 admission at the university. The deadline for spring applicants is August 31, 2018. Students may drop-in to these workshops anytime between 9 AM and 5 PM, and they are encouraged to contact us to make arrangements if they cannot attend these dates/ times.
Welcome Baby!
Vice President of the Hartnell Board of Trustees, Aurelio Salazar, Jr. announced that he and his wife Carina welcomed a beautiful baby girl on Friday, August 17, 2018 at 10:44 a.m.

Faculty Becomes Certified Nurse Educators!
Congratulations to Nancy Schur Beymer and Lisa Davis as they are now Certified Nurse Educators (CNE) through the National League for Nursing! The academic nurse educator certification was created to establish nursing education as a specialty area of practice and create a means for faculty to demonstrate their expertise in this role.

Nursing and Allied Health 1st Week of School
Nursing and Allied Health faculty and staff had some fun on the first week of school!
In the spirit of bringing simply smiles and laughs at work they had themed dress up days. Of course office etiquette and dress code rules applied for these dress up days.
Monday- Floral Print
Tuesday- Animal Print
Wednesday- Polka Dot Overload
Thursday- Stripes/ Lines
Friday- Aloha/ Beach Friday

What a great way to bring comradery and to start the Fall 2018 semester!
YMCA Summer Camp

Nursing and Allied Health had the pleasure of hosting two days with the YMCA Summer CAMP kids. Campers were able to participate in a variety of activities that emphasized the value of health and wellness.

Healthy Brains. They learned the importance of having healthy brains with the proper nutrition and physical exercise through competing in a Jeopardy game. After that, a memorization game focused on sleep, mental fitness and how social interactions engage in positive stimulation for the brain.

Clean Hands Save Lives. Hand washing techniques were experienced by having the campers rub a special lotion onto their hands then washing hands as normal. One’s hands will appear clean, however, the ultra-violet light tells a different story. The discovery of the remaining germs casted a new light on their cleaning effectiveness.

Healthy Hearts. Participants received information on heart health by having a mini-CPR hands-on lesson. This was followed by campers participating in a scenario where they were able to put everything they had learned into practice by caring for a simulated patient in our simulation laboratory.

Lung Health. Finally, the campers were able to learn a little bit about their respiratory systems. They were able to compete to see who among them had the largest lung capacity using spirometers from the Respiratory Care Practitioner department.

Nursing and Allied Health would like to give special thanks to the staff at the Central Coast YMCA.

UPCOMING EVENTS

Respiratory Care Program Informational Sessions
Tuesday, August 28, 2018
B Building, B110
4:00pm - 4:45pm

Vocational Nursing Informational Sessions
Wednesday, August 29, 2018
B Building, B110
3:00pm - 3:45pm

Registered Nursing Informational Sessions
Wednesday, August 29, 2018
B Building, B110
4:00pm - 4:45pm
