Whole Number Arithmetic Drills for Math 201

Here are some web pages you can use to practice and improve your skills in adding, subtracting, multiplying, and dividing:

www.aplusmath.com/flashcards/addition.html
www.aplusmath.com/flashcards/subtraction.html
www.aplusmath.com/flashcards/multiplication.html
www.aplusmath.com/flashcards/division.html
www.aplusmath.com/flashcards/sub-flash.html (All four operations)
www.aplusmath.com/games (games, of course)
www.factmonster.com/math/flashcards.html (Start with level 1 on each operation. You don’t need go beyond level 6 on subtraction. The higher levels are pretty hard on all four operations.)
