Associate Degree (AA or AS) programs allow students the benefits of a general college education and the option of choosing occupational training, liberal arts, or concentration in a discipline in the College. The Associate in Arts for Transfer (AA-T) and the Associate in Science for Transfer (AS-T) are intended for students who plan to transfer and complete a bachelor’s degree in a similar major at a CSU campus. In addition, Hartnell College offers a variety of programs designed to develop and upgrade vocational proficiency and for which Certificates of Achievement are offered.

Students must submit a Petition for Associate Degree/Certificate of Achievement to be evaluated for eligibility to be awarded a Degree or Certificate. Deadlines for filing the Petition are noted in the Schedule of Classes and are posted in the Administration and Records Office. To be awarded a Certificate of Achievement from Hartnell College, it is required that at least half of the required number of units be taken at Hartnell College.

Not all courses required for listed programs may be offered during this catalog cycle. Please contact a counselor for current information (831) 755-6820.

HARTNELL COLLEGE – Fall 2018

ASSESSMENT

STAAR*—Success Through Assessment, Advisement/Orientation and Registration

YOUR QUESTIONS ANSWERED

What is Assessment?
The assessment test is a single measure of English and math skills for enrolling Hartnell College students. Hartnell uses an electronic assessment test called Accuplacer. This electronic assessment test uses the latest technology to help measure enrolling students’ English and math content readiness.

Who is required to take the assessment?
All new and returning students are required to take the assessment EXCEPT:

• students who have earned an AA/AS degree or more advanced degree;
• students who have completed both English 253 and Math 201 at Hartnell College or equivalent or higher courses with a grade of C or better at another college or university;
• students who provided Assessment scores from another California Community College within the last two years and have presented a copy of these scores to a Hartnell College Counselor for review and documentation;
• students who can provide scores to a Hartnell College Counselor from the Advanced Placement Examination from the College Entrance Examination Board (CEEB), Educational Testing Service, with a score of 3 or above in the areas of English – Language & Composition, Math (Calculus AP).
• Plan to enroll in fewer than six (6) units that do not include English or mathematics courses and/or courses requiring English or mathematics prerequisites and their academic goal is personal development.

I think I meet one of the exemptions from the assessment. What do I do?
See a Counselor and work with the Counselor to complete a Pre-Requisite Clearance form. When you meet with the Counselor, be sure to bring copies of all transcripts and any other important documents.

Where and when can I take the assessment?
The Assessment center is currently located in B105A. The assessment test is given in B110 on Main Campus as well as at the King City and Alisal campus. Assessments are generally offered Monday through Friday and some Saturdays. The assessment test is by appointment only. To make an assessment appointment, call (831) 759-6054.

What services are available for students with disabilities?
The assessment test is not a timed and is accessible to most students with disabilities. Additionally, students with disabilities may arrange for modified assessment testing by calling the Department of Supportive Program and Services (DSP&S) at (831) 755-6760.

Can I take the assessment more than once?
Students may take the assessment test a second time under the following conditions:

• at least fourteen days have passed since the first test (to allow for extra preparation and study)
• the student has talked with the Assessment Center staff or a Counselor about how to better prepare for the assessment
• and the student received sample questions and study materials.

Student may not take the assessment more than twice in one semester

There is no Charge to take an Assessment Test

How long are my assessment results valid?
Hartnell College recognizes your assessment scores for a period of two years. Remember continued use of math and language skills may improve over time. If your scores are over two years old, you must take the test again.

How can I prepare for the assessment?
The materials and sample questions are available to you free of charge on our website at: http://www.hartnell.edu/staar-assessment

Be sure to come to Assessment Center well rested
Be sure to eat properly before taking the assessment test.
No food or drink is allowed in the Assessment Center.
Review and study the English and math materials as much as possible.
No Children permitted in Testing room.

What if I don’t know how to use a computer?
No computer skills are required and the Assessment Center staff is available to help you in using the computer mouse, if needed.

When I complete the assessment what is the next step?
The next step is to schedule an appointment with an Academic Counselor.

REGISTER
Schedule Changes (Add/Drop Period):
August 13 - 25, 2018

As of the first day of the class, regardless of whether the class is open or closed, you must get permission from the instructor by obtaining an Add Code. Instructors will only issue an Add code before or after class. PLEASE DO NOT INTERRUPT THE INSTRUCTOR WHILE THE CLASS IS IN SESSION. Instructors can also be contacted through their campus email. To obtain the instructors email address, please refer to the directory on www.hartnell.edu or through the instructor’s instructional department.

The Add Code works only with our PAWS for Students online registration system. The Add Code has an expiration date, so register immediately. All registration rules still apply for students using Add Codes. Students are ultimately responsible for successfully completing their enrollment using the Add Code on the online registration system PAWS for Students to ensure they are registered for the class.

Note: No full semester course may be added after the published deadline August 12, 2018. The Add Code must be processed using PAWS for Students by midnight Saturday August 25, 2018.

PLEASE DO NOT INTERRUPT THE INSTRUCTOR WHILE THE CLASS IS IN SESSION TO OBTAIN AN ADD CODE

How to Use Add Codes

- The Add Codes works only with our PAWS for Students online registration system. Regardless of whether the class is open or closed, as of the first day of the class, the Add Code is required to add a class.
- The instructor will assign an Add Code to the student on an authorization form. Along with the Add Code, the authorization form will include the course name and number, section number, and Add Code expiration date.
- The Add Codes are effective starting on the first day of the class. Register immediately on PAWS, the codes have an expiration date. After the expiration date, the Add Code will no longer give you access to enroll in the class.
- The Add Code can only be used once. Once it is used, the code expires automatically.
- Add Codes can only be used on PAWS for Students at www.hartnell.edu. Computers are available in the lobby of Building B and in the library. Student Ambassadors are available for PAWS registration assistance.
- All registration rules still apply when using Add Codes
  - Application for admissions must be on file with the Admissions and Records Office
  - Students must be free of a conflicting course schedule.
  - Students must meet prerequisite /co-requisite (if applicable)
- Students must not have any HOLDS on their academic record.
- Student must have an Excess Units Petition on file if enrolling in 18+ units.
- K-12 Concurrent Students must have their approved Concurrent Enrollment form on file with Admissions and Records.

To ensure a smooth registration, please be sure that you have access to your PAWS account and are clear of these registration rules. If you are unable to complete your registration due to one of the registration rules, you will need to register in-person with Admissions and Records before your Add Code expires. Please bring the Add Code authorization form with you.

ELECTRONIC PREREQUISITE CHECKING
All prerequisite courses are listed after course descriptions in this schedule. If you met this requirement at another college, you must see a counselor immediately to obtain a Prerequisite Clearance form. Unofficial or Official transcripts must be provided. Prerequisite Clearance Forms may take up to 2 working days to process once filed in Admissions & Records.

NOTE: PAWS system is a faster and more convenient registration process. Payments can also be made by using PAWS for students.

DROPS/NO SHOWS:
- Students who are not present at the first class meeting may be dropped by the instructor as a "no show". However, it is the student's responsibility to drop any class in which he/she is not planning to attend. Failure to do so may result in an “F” grade. Students may drop a class by using PAWS. An instructor's signature is NOT required to drop.

WAIT LISTS & CLOSED CLASSES
ALL REGISTRATION RULES STILL APPLY WHEN USING WAITLISTS

- Students will be able to place themselves on a waitlist for closed classes.
- Once you have added your name to the waitlist, you can check your status on PAWS. Click on “Manage My Waitlist.”
- If space becomes available in the waitlisted section, the system will automatically register the first person on the waitlist.
- An email will be sent to the student’s Gmail account to notify them of registration and fees.
- Other students on the waitlist will move up and be allowed to register as space becomes available.
- You can only be waitlisted on one section of a course at any one time. Students who are still on waitlists when classes begin must attend class the first day, obtain an add code, and complete the registration process by the deadline.

Waitlists will close August 12, 2018. The option to have your name placed on a waitlist will no longer be available
