**Position:** Curriculum & Scheduling Specialist  
**Department/Site:** Academic Affairs  
**Reports to:** Director, dean, or other administrator in assigned area  

**Position Number:**  
**FLSA:** Non-Exempt – (Classified CSEA)  
**Salary Range:** 28

**DESCRIPTION:**

Under the direction of instructional administrator, coordinate with administrators the implementation, maintenance, and evaluation of curriculum, scheduling, and instructional publications and databases including: class schedules, the college catalog, the college’s databases of record, and related accreditation documents. Coordinates and maintains curriculum and scheduling databases; maintains and operates computer programs related to official course outlines, curriculum files, and catalog database programs; serves as technical resource to faculty and administration in preparation of curriculum and scheduling proposals, and assures compliance with state and local rules, regulations, and policies; plans and coordinates the development and publishing of the college catalog and class schedules; prepares and updates curriculum planning processes and procedures.

**DISTINGUISHING CHARACTERISTICS:**

This position performs a variety of technical and specialized work related to the operations and functions of the District’s curriculum and class scheduling services. While the incumbent may be assigned to work primarily in scheduling or primarily in curriculum at any particular time, he or she should be able to understand and perform the breadth of assignments that exist in this office; to work cooperatively with academic and classified managers, and with the curriculum committee of the Academic Senate and other related college committees, and may serve as a liaison to the State Chancellor’s Office for curriculum-related matters.

**REPRESENTATIVE DUTIES:**

- Provide technical support in the creation and maintenance of the curriculum program and class schedule in the administrative computing system; review course outlines for accurate time allocations; review programs and assign appropriate coding to meet state Title 5 requirements; create, maintain and update experimental courses.

- Create and maintain courses in the administrative information database of record and distribute to instructional areas for creation of courses; input and maintain general education coding for transcripts, catalogue and state reporting. Coordinate with administrators the development, implementation and evaluation of course schedules, and discipline brochures; plan, organize, schedule and oversee various production-related activities.

- Assist in coordination of curriculum and scheduling approval process; maintain all official outlines in electronic and hardcopy form; assist in making curricular information electronically accessible as directed.
• Maintain and track enrollment of courses and faculty load data and reports through the administrative computing system; manage instructional database systems including college efficiency report and other reports as assigned.

• Provide technical support in the development, implementation, and approval of curriculum; assist faculty, staff and administrators in executing Title 5 regulations; review forms submitted from area deans regarding curriculum and programs for accuracy; complete Chancellor’s Office requests for annual reports. Communicate with various administrators, outside organizations, and college departments to exchange information, resolve issues, or concerns and coordinate activities.

• Develop and produce the college catalogue in accordance with established policies, procedures, laws and codes; update the administrative computing system as needed; prepare and distribute pertinent catalogue data and materials as appropriate and maintain established time lines.

• Prepare and submit bids to printer and graphic design vendors according to established procedures; meet and work directly with printers and graphic design vendors to assure quality control of the catalogue; proof, edit text and assure quality control of the catalogue prior to printing; provide camera-ready copy to printer.

• Disseminate information to administrators regarding Chancellor’s Office revisions and updates; create and maintain the general education report, repetition report and basic skills report for State reporting. Represent the Academic Affairs Office as assigned, with state and other governmental agencies, the college community, and other colleges and universities.

• Communicate with the Chancellor’s Office for course and program approval; maintain accurate and detailed reports for audit purposes; maintain original correspondence from the Chancellor’s Office regarding program and course approval and related matters.

• Perform specialized administrative duties relating to fields of expertise as assigned; assist administrators with special projects; assist faculty regarding scheduling, curriculum, or room conflicts; assist students with general questions and complaints as needed.

• Operate a computer and assigned software programs and related peripherals; operate various office equipment as assigned.

• Communicate effectively both orally and in writing; establish and maintain effective working relationships with others using interpersonal skills including tact, patience and courtesy; take initiative and work independently with general supervision

• Work collaboratively with and serve on assigned college committees.

• Perform related duties as assigned.

**KNOWLEDGE, SKILLS, AND ABILITIES:**
Knowledge of:

- Project scheduling and coordination.
- Operation of a computer and assigned software.
- Desktop publishing techniques.
- Data entry and retrieval methods.
