To satisfy statutory requirements and to assure implementation of the Mission and Vision Statements of Hartnell College, the Superintendent/President shall establish procedures for the development and review of all curricular offerings, including their establishment, modification, or discontinuance. These procedures shall include:

- appropriate involvement of the faculty and Academic Senate for making recommendations in the areas of curriculum and academic standards.
- regular review and justification of courses, degrees and certificates is conducted.
- all courses, degrees and certificates comply with Title 5 regulations.
- all new programs and program discontinuance shall be approved by the Board.
- all new programs shall be submitted to the California Community Colleges Chancellor’s Office for approval as required.

The Superintendent/President will establish procedures which prescribe the definition of “credit hour” consistent with federal regulations applicable to federal financial aid eligibility.

Individual degree-applicable credit courses offered as part of a permitted educational program shall be approved by the Governing Board. Non-degree-applicable credit and degree-applicable courses that are not part of an existing approved program must satisfy the conditions authorized by Title 5 regulations and shall be approved by the Governing Board.

Credit Hour
Consistent with federal regulations applicable to federal financial aid eligibility, the District shall assess and designate each of its programs as either a “credit hour” program or a “clock hour” program.

The superintendent/president will establish procedures which prescribe the definition of “credit hour” consistent with applicable Title 5 and federal regulations, as they apply to community college districts.

The superintendent/president shall establish procedures to assure that curriculum at the District complies with the definition of “credit hour” or “clock hour,” where applicable. The superintendent/president shall also establish procedure for using a clock-to-credit hour conversion formula to determine whether a credit hour program is eligible for federal financial aid. The
conversion formula is used to determine whether such a credit-hour program has an appropriate minimum number of clock hours of instruction for each credit hour it claims.
