Introduction to Guided Pathways
January 11, 2018

Challenges/Problems
- Students not meeting their goals
- Hartnell needs to better understand their student in order to serve them well
- Students need clearer guidance to resources and through programs at Hartnell
- The institution needs to develop a more inclusive process for decision-making and improve communication

Assets
- Student support
- Dedicated faculty and staff
- Administration with vision
- STEM programs
- Hands-on learning opportunities
- Community support
- Inclusivity

Urgent Issues
- Enough staff to support the initiatives
- It is taking students too long/too many units to complete
- Communication across the college
- Counseling and advising on choosing majors and careers
- Students need support with non-academic barriers such as food, housing, and childcare
