AFFORDABLE CARE ACT

Lauren Miller, MSW, and Glorietta Rowland, Management Analysts from the Monterey County Department of Social Services delivered a presentation on the Affordable Care Act from. Both have been engaged in various outreach and support activities that focus on the needs of the very low-income population. Outreach and education efforts for the Affordable Care Act and Health Care Reform are new projects to the Community Action Partnership and both have completed the Covered California Certified Educator training program and have been leading educational workshops on this topic all around the community. Their presentation focused on Covered California, their vision and mission to ensure improved health of all Californians through health insurance that is affordable based on premiums based on income and is posted:

The board thanked the presenters for their thorough presentation.

IMPACT OF THE AFFORDABLE CARE ACT FOR HARTNELL CCD

Terri Pyer, Associated Vice President, Human Resources delivered a presentation on the impact of the Affordable Care Act to the Hartnell Community College District stating that the college has been working to ensure compliance. Ms. Pyer addressed employer mandates and penalties and current health benefits for employees reporting that all employees are treated the same. She identified the next steps include negotiations and working with consultants on reporting mechanisms to ensure year-to-year compliance.

Throughout the presentation, the board asked questions and thanked Ms. Pyer for her presentation.
