Definitions

“Student” means any person with respect to whom the District maintains education records or personally identifiable information, but does not include a person who has not been in attendance at the District.

“Student education record” means any item of information directly related to an identifiable student, other than directory information, which is maintained by the District or required to be maintained by any employee in the performance of his or her duties, whether recorded by handwriting, print, tapes, film, microfilm, or other means.

“College official” means a faculty member, president, chancellor, governing board member, counselor, admissions officer, attorney, accountant, human resources professional, information systems personnel, and support or clerical personnel.
