Hartnell is a top transfer of underrepresented minorities to UCs!

Hartnell Community College District is happy to share exciting news. The University of California (UC) recently released its data regarding the number of community college transfers to UC campuses for fall 2016. Hartnell College is proud to report that it experienced the largest number of transfers (80) in its history to the University of California. The transfer of 80 students represents a 35.6% increase over the previous year (59). This includes a record 11 transfers to UC Berkeley, 10 of whom are Hispanic/Latino students. Prior to fall 2016, the highest number of transfers any year since 1994-95 to UC Berkeley was six (6).

Our relentless focus on student success and completion has resulted in unprecedented outcomes for Hartnell students. Our students have demonstrated tremendous grit and tenacity supported by a faculty, staff, administration and Governing Board that is committed to students achieving their education and career dreams. Additionally, of the 80 total transfers, 75% were Hispanic/Latino students placing Hartnell College as one of the colleges with the highest rate of transfer for underrepresented minorities for the entire California Community College’s system of 113 colleges. Also, by comparison, several community colleges with significantly higher enrollment than Hartnell did not transfer as many students to the University of California. Everyone at Hartnell should be extremely proud of the success of our students and should take tremendous pride in the work we are doing to help our students achieve their goals.

Panther Prep Day registers over 800 high school seniors

The Fourth Annual Panther Prep Day took place during the last weekend in April and proved to be another huge success. In South Monterey County, 308 students participated in the King City event held on Friday, April 28, 2017 and over 500 Salinas-area students attended the Main Campus event on Saturday, April 29th for a total of over 800 students registered for Summer and Fall 2017! Panther Prep Day is Hartnell’s official welcome event for local graduating seniors. The Hartnell College Pathways Team worked with seniors from over 17 local high schools since October 2016 to help seniors complete the Hartnell Steps to Success process of enrollment. Participating seniors have already completed key components of the enrollment process which include: Admissions Application, Orientation, Financial Aid Application, and Assessment. Panther Prep Day allows students to complete the final steps in the Hartnell College Steps to Success enrollment process; they met with a Hartnell College Counselor to develop their fall 2017 education plan and received priority registration for fall 2017 classes. Updates to this year’s event offered Counseling Sessions by meta-major, allowing students to have a better understanding of their major and career choice. The return of a much needed Financial Aid session was also brought back to the event and included a “front counter,” and open lab where student and parents received a check on their financial aid status. We had incredible participation from Hartnell faculty and staff including Counseling, College Pathways, Admissions & Records, Financial Aid, IT, managers, deans, volunteers and many more. We also had an amazing turnout of current Hartnell students who were hired to lead Panther Prep students throughout their day, many of whom participated in Panther Prep Day when they were seniors! The response and appreciation continues to come in from the high schools, too.

“I just wanted to drop you a note to tell you how much NSHS students loved Panther Prep Day. They are really excited because they feel supported and they have a plan for their future!” said a counselor from North Salinas High School. Panther Prep Day is Hartnell’s early college preparation model helping students to be better prepared and successful in their transition from high school to college. Congratulations to Student Affairs for another great event!
Student leaders and scholarship recipients recognized at Board of Trustees meeting
At its May 2, 2017 meeting, the Governing Board recognized and thanked the 2016-17 Associated Students of Hartnell College for their work under the leadership of ASHC President, Rafael Mendoza. President of the Board of Trustees, Manuel Osorio helped me welcome the newly elected leadership team for 2017-18 that will be led by ASHC President Nelida Ponce.

The 2017-18 ASHC officers and the 2017-18 Student Trustee are:

- Nelida Ponce, President
- Alejandro Bueno, Vice President
- Brandy Mendez, Treasurer
- Katherine Hernandez, Secretary
- Daniela Ramirez Hernandez, Director of Public Relations
- Resa Pilar, Director of Programs and Services
- Leah Edwards, Director of ICC
- Daisy Benavides, Senator Alisal Campus
- Jazmin Alonso, Senator South County
- Jose Camacho Rodriguez, Senator-At-Large
- Alejandra Ponce, Senator-At-Large
- Jordan Conto, Senator-At-Large
- Twinkle Moreno, Senator-At-Large
- Jonathan Sanchez, Senator-At-Large
- Ronald Spotts, Senator Online/Evenings/Weekends
- Rafael Mendoza, Student Trustee

In addition, three scholarship recipients were there to be acknowledged in receiving highly anticipated scholarships and to celebrate their academic success. These are:
Jasmine Camba, Recipient of Pister Scholarship at UCSC; Xiao-Jie Seng, Recipient of Peggy and Jack Baskin Foundation Scholarship; and Shawn Smith, 2017 Phi Theta Kappa All-California Academic Team, 2nd Tier.

Photo on the right shows Shawn Smith receiving his award at a luncheon in Sacramento earlier in April.

Congratulations to all of our wonderful students!

Hartnell sends team to Undocually Conference at Foothill College

Hartnell College is continuing to explore strategies and best practices for serving Dreamer students. On April 27, 2017 Mi CASA organized a team of Hartnell Dreamer Allies to attend the Bay Area Community College Undocually Call to Action at Foothill College. Participants in the one-day event shared challenges and best practices for student services and college policies and procedures, and learned about models throughout our region. Stakeholders also collaborated with their peers from other institutions in developing action plans to address ongoing challenges. The Hartnell team will take the information learned from the conference and will develop specific recommendations for continuous improvement at Hartnell College. Pictured from left to right are: Miriam Gonzalez (Special Programs), Bronwyn Moreno (Director, Special Programs), Christian Regalado (Financial Aid), Laura Zavala, (College Pathways), Rosa Vidales (Special Programs Counselor), Norma Cuevas (Counseling/Mi CASA), Yuliana Vazquez (EOPS), and Eric Becerra (Director, HEP).

Jackie Cruz represents Hartnell College at Regional Economic Summit

Jackie Cruz, Vice President of Advancement and Development, was a member on a panel at the Third Annual Regional Economic Summit "Focus on Jobs" sponsored by the Monterey Bay Economic Partnership (MBEP) and held on May 4, 2017 in Santa Cruz. Jackie addressed the crowd on solutions on how we as a community can create opportunities on employable skills, education, career laddering and career training to help people achieve higher incomes and more meaningful employment. The session was titled Movin’ Up: Career Building to Better Jobs with:

Moderator: Kate Roberts, President, MBEP
Panelists:
• Ed Durkee, CEO, Goodwill Central Coast
• Reyna Navarrete, Personnel and Recruitment Manager, Tanimura & Antle
• Sabra Reyes, Human Resources Director, Seaside Company
• Jackie Cruz, Vice President of Advancement and Development, Hartnell College

The keynote speaker was Dr. Chris Thornberg, Founding Partner at Beacon Economics, who provided insights into local, state and national economic trends.

**Western Food Safety Summit**

The Agricultural Business and Technology Institute of Hartnell College hosted the 12th Western Food Safety Summit on May 3 and 4, 2017 on Main Campus. This year’s theme was *Food Safety Modernization Act (FSMA) Rules and Applied Food Safety Science*. Some of the featured key topics included: produce rule and resources for growers, water quality – sampling and harvest, legal methods to control animal intrusion, sanitary transportation of human and animal foods rule, sanitation controls in processing facilities as a preventive control, food safety education, foreign supplier verification programs for importers of food for humans and animals, whole genome sequencing science and implications, process controls as preventive controls in food safety plans, and GFSI versus Federal FSMA regulations.

All sessions were full of important information for our local and regional farmers and their employees.

**MESA welcomes Civil Engineer, Patrick Dobbins**

Patrick Dobbins, PE, QSD/P, who is a civil engineer and Engineering Director from Harris & Associates presented to a large audience of STEM students for the MESA Friday Speaker Series on May 5, 2017. He spoke about his education, projects at Harris & Associates, and the American Public Works Association (APWA). He explained that public works is infrastructure, which is the basic physical structures and facilities in a municipality, such as buildings, roads, power lines, and sewers; plus, he talked about internships and scholarships APWA offers. The AWPA is located in Salinas across the street from the YMCA. Mr. Dobbins announced that Harris & Associates is hiring their first intern from Hartnell this summer, Jonathan Barrera-Contreras. He would like to start a year-round internship program at Harris & Associates and see a stronger partnership with Hartnell College.
Law Day focuses on the 14th Amendment

On May 1, 2017, Law Day was held on our campus; it was a day to celebrate the role of law in our society and to cultivate a deeper understanding of the legal profession. This year’s theme was the 14th Amendment: Transforming American Democracy. During the event, students were given the opportunity to explore the many ways that the 14th Amendment has reshaped American law and society. Through its citizenship, due process and equal protection clauses, this transformative amendment advanced the rights of all Americans. This year’s event featured Keynote Speaker, Adrienne M. Grover, Associate Justice of the 6th District Court of Appeals, and a Panel: Sheriff Steve Bernal; Defense Attorney, Frank Dice; Judge Julie R. Culver; and Assistant District Attorney, Jeannine Pacioni. The Master of Ceremonies was Judge Mark E. Hood of the Superior Court of Monterey County.

Advocacy for Designated NSF Grant Funding for HSIs Produces Results

On April 24-25, 2017 I was in Washington DC along with representatives from HSIs across the country advocating for increased grant funding for HSIs. I am pleased to announce that on May 4, funding for a National Science Foundation (NSF) grant program supporting undergraduate science, technology, engineering, and mathematics (STEM) education at Hispanic-Serving Institutions (HSIs) was approved by the 115th Congress as part of the final Fiscal Year 2017 Omnibus spending bill. This new funding has been a key goal of the Hispanic Association of Colleges and Universities (HACU) for many years. NSF now has both program authority and specific funding to create the HSI program.

Students receive Historically Black College and University tour

This semester, Hartnell College was able to send a small group of students on a Historically Black College and University (HBCU) tour. The primary objective of this tour was to offer our targeted student population identified in our Student Equity Plan the opportunity to learn more about the requirements for public, private and out-of-state universities. The HBCU tour is one strategy and activity utilized by multiple California Community Colleges as a way to increase the transfer
rates among our underrepresented students.

Students who participated on the HBCU tour:

- Receive assistance from our counseling department throughout their HBCU admissions process
- Participate in transfer workshops prior to the trip that assisted them with their transitioning from Hartnell College to a HBCU campus
- Receive Math and English tutoring services when needed
- Receive ongoing mentorship from the counseling faculty chaperones

This was an all-inclusive trip at no cost to students. Participates visited the following HBCU campuses: Bowie University, Lincoln University, Morgan State University, Hampton University, Norfolk State University, North Carolina A & T University, Bennett College, and Howard University. The majority of these institutions have transfer agreements with California Chancellor’s Office.

2017 CalWORKs Portraits of Student Success

Every year, the California Community Colleges CalWORKs Association releases a publication in which top CalWORKs students from the 113 community colleges are recognized for their determination to pursue academic excellence. Hartnell College is located in Region 4, which also includes Mission College, Cabrillo College, Foothill College, De Anza College, Gavilan College, Monterey Peninsula College, San Jose City College, West Hills College, and Evergreen College. It is an honor to report that three of our students are featured in this year’s program as exemplary students: Araceli Anaya, Desirae Singh, and Jacqueline Rivas-Duenas.

**Araceli** is the proud mother of 4 beautiful children. She will graduate this May 2017 and will be transferring to UC Santa Cruz. In addition to being a full-time student, Araceli works 20 hours a week as a peer advisor for the Hartnell College Welcome Center.

“I want to become a counselor to help people and students in my community and show my children that anything is possible when there is hope and people supporting and believing in you,” shared Anaya.

**Desirae** has a 7-year-old son and is a single head of household. She attended MPC for 2 years, but the long commute and her desire to spend more time with her son encouraged her to return to Hartnell. Desirae has excelled academically and has earned recognition for placing on the President’s List and is determined to earn her Associate of Arts for Transfer in Sociology and hopes to transfer to CSUMB.

“Making it a priority to get involved with other students and all the programs I can such as tutorial centers and school programs has been rewarding,” she said. “Becoming a student worker and being more involved on campus has truly uplifted my confidence.”

**Jacqueline** has shown to be a determined individual from day one; she is a self-starter and
natural problem solver. She wants to honor her mother by earning her associate degree and transfer to a four-year university; she is expected to graduate from Hartnell College fall 2017. “After attending a CalWORKs workshop, I concluded pursuing an education would benefit both my daughter and I,” shared Jacqueline. “I plan on transferring to CSUMB to receive a Bachelor of Arts in Sociology. Once I graduate, I intend on being a social worker for Monterey County” CalWORKs counselor, Dr. Nancy Reyes, is very proud of all of our CalWORKs students. “Our students are parents and their inspiration comes from their children,” she commented.

Executive Cabinet celebrates Administrative Professionals

The last week in April is designated as ‘Professional Secretaries/Administrative Assistants’ Week;’ thus, the President’s Executive Cabinet invited our confidential administrative team to join us for a celebratory lunch at Casa Sorento. It was a time to thank them all for the work they do to keep us organized and on task. On behalf of all Cabinet members and the campus, thank you for all you do for Hartnell College!

Retirement Celebration for Loyanne Flinn

It was a two-day event to celebrate Director of Private and Public Grants, Loyanne Flinn’s retirement. The Office of Advancement and Development staff joined Loyanne at her house in Prunedale for an early breakfast at the farm. Advancement also prepared a send-off at Hartnell that included pastries, fun & games, and lots of cheerful wishes. Although a bitter-sweet time for the District, Flinn is ready to venture into some peace and relaxation but she will also work with United Way on a special project that is close to her heart. Her last day is May 15th. We thank Loyanne for all her work in Advancement and the Hartnell College Foundation and wish her all the best!
Cinco de Mayo celebrations at Hartnell

On May 4 and 5, 2017, a full crowd of students attended a Cinco de Mayo event coordinated by the Office of Student Life and the Ethnic Studies Department. The events were held in commemoration of Dia de la Batalla de Puebla de Mexico. Special guests included: Luis ‘Xago’ Juarez, Instructor at San Jose University and Artistic Director of Baktun 12; the MEChA Club; and Ethnic Studies Class who provided a historical perspective presentation by acting out various scenarios for the large crowd of students who came to participate and gain knowledge of their ancestors’ historical background.

Letters of acceptance are in!
Elizabeth Madrigal shares her pick for transfer

Hundreds of Hartnell students have received their letters of acceptance from universities around the country. It is an exciting time for all of them.

Political Science major Elizabeth Madrigal received letters from UCLA, CSUMB, SFSU, CSUEB, UCSB, and UCSC, but her number one choice was taking longer. Last week, the wait seemed to pay off. She received the long awaited letter from UC Berkeley – she took no time to send the response back and cannot wait to start looking for a place to live.

She says that Berkeley feels like home to her and the school is infamously reputable for its outreach services and student support, as well as being one of the best research based schools. Elizabeth is excited to attend and states that “Berkeley will provide her with the necessary skills that she needs to develop so that she can return to Salinas to pursue a career in which she will be able to make a difference by giving back to the community.”

She is graduating this spring and currently holds a 3.95 GPA. She is also a part of the Associated Students of Hartnell College (ASHC) and acts as Senator for the Alisal Campus. She is a member of multiple school clubs including Sociology, Political Science and TRiO; plus, she helps provide food and basic necessities to the local homeless population.
Elizabeth hopes to become both a lawyer and return to Hartnell College to teach Political Science. Congratulations Elizabeth I wish you success on your journey and look forward to you returning to Hartnell in the future!

Panther Track & Field Athletes Sign to Continue Careers

Four Panther Track & Field student-athletes signed recently to continue their careers beyond Hartnell College. They include Yvette Felix (Anzar HS), Louis Leon (Soledad HS), Zack Davis (Pajaro Valley HS), and Jimmy Torres (Alisal HS).

Yvette Felix came from Anzar High School in San Juan Bautista. An all-conference cross country runner as a freshman, she was the seventh runner on the historic women's team that repeated as Northern CA champions and placed 2nd at the CCCAA Championship held at Woodward Park. She advanced to the Northern CA Regional Meet in the 5,000 and 10,000-meter runs making the all-time list over the 25 lap distance in just her second attempt. It was her second year at Hartnell that propelled Yvette into an athletic scholarship. She was the 2017 Coast Conference Champion in cross country and placed fourth at the regional championship earning all-region honors for the first time. Her performance helped a young Lady Panther squad to a third place trophy. She was the top placing Panther at the CCCAA Championship with a time that ranks her 9th all-time in school history. This spring, she has built on that success lowering her 5000-meter time from 19:57 to 18:10 to currently rank sixth all-time in school history. Yvette was the 2017 Coast Conference 1500, 5000, and 10,000-meter champion and will compete in the regional meet over 800, 1500, 5000, and 10,000 meters compared to her freshman year. Yvette will compete next year for NCAA DII East Central Oklahoma University in Enid, Oklahoma.

Zack Davis came to Hartnell College from Pajaro Valley High School in Watsonville. Zack was a member of back to back Coast Conference Championship teams and managed to score points over 800 meters to help the Track & Field Team to the 2016 conference title. Zack is most proud of his improvement over 800-meters where he lowered his lifetime best to 2:00. He will be going to Valley City State University in Valley City, North Dakota.

Louis Leon graduated from Soledad High School and was unsure if he would continue with sports while attending Hartnell College. Louis improved tremendously this fall and helped the men's team to a Coast Conference Championship and was instrumental in daily preparation for the first Northern CA title since 2006. This spring, Louis has finally realized his
potential lowering his 5,000 meter and 10,000 meter times significantly. He qualified provisionally to the regional meet with 15:59 and 34:19 performances and will represent the Panthers in the 10,000-meter regional final. Zack and Louis have chosen to remain teammates at NAIA institution Valley City State University.

Jimmy Torres arrived at Hartnell College by way of Alisal High School. A virtual unknown until joining the Hartnell track & field team, Jimmy improved quickly into a conference point scorer in the horizontal jumps. His contributions to back to back conference team championships varied each year with freshman year placing in the long jump and sophomore year placing in the triple jump. Jimmy remained at Hartnell College an additional year to complete his AA requirements, but Concordia University in Nebraska has not forgotten his quick rise to contributor. Congratulations!

**Panther men just shy of title, women pick up expected second**

The Hartnell College men’s track & field team does not lose the conference championship that often winning on average over 70% of the titles since the 80’s but on Saturday they experienced their first lost since 2012. That year they lost by seven points and in this year’s edition by just 9 points. It was not for a lack of effort as Panther men took seven of the scoring positions in two events and placed six and four in two others. They won 3k steeplechase, 1500-meters, 800-meters, 5000-meters, and 10,000-meters. The ladies took an expected second place but enjoyed conference overall champions in the 1500-meters, 5000-meters, 10,000-meters, and long jump. For the men, Andrew Martinez was victorious in the 10,000 meters (32:35.57) to lead a sweep of the top seven spots. He was followed by Jorge Sanchez (33:21.29) and Mario Perez, Jr. (33:23.63) in the medal positions. Martinez repeated his 3K steeplechase victory in 9:57.47 to lead frosh Jonathan Saldana (9:58.88) to a silver medal. Jorge Sanchez won the 5000-meters (15:23.98) with Oscar Mora, Jr. (15:46.45) taking bronze. Eduardo Orozco took the Northern CA lead with his 1500-meter winning time of 3:57.22. Former King City HS teammate Edgar Bonilla was bronze in 3:58.60. Bonilla was also a surprise winner of the 800-meters (1:57.91) with Orozco switching spots in third (1:59.52). Freshman Joziah Garcia almost stole the 400-meters in his first
championship earning silver with his second best time of the season (49.56). **Thomas Salao** jumped one spot of his ranking in winning the javelin with an all-time top 20 throw of 167-4. The men's 4x100 meter relay team of Salao, **Jordan Rodriguez, Tyrell Windham**, and Joziah Garcia lowered their season best to 42.58 to take second place. The men's 4x400 team of Garcia, Orozco, **Adam Alnazer**, and **Sean Failano** lowered their season best significantly to prepare for the regional trials by running 3:27.80. Sophomore **Yvette Felix** picked up three conference individual titles after only scoring points in events as a freshman. Felix easily won the 10,000-meters on Wednesday in a lifetime best 40:18.89. She also won the 1500 meters (5:04.57) and 5000-meters (19:43.58). Felix also placed fourth in the 800-meters (2:28.11) for her second best time of the season. Freshman **Haley Romero** improved on her both her long jump and 100 hurdles heading into the regional championship. She was the long jump champion with a season best 18-3 and the first time over 18 feet this season. Romero also placed second in the 100 hurdles in a lifetime best 15.30. **Chelsea Andrade** took third in the hammer on Wednesday and fourth in the discus. Freshman Jocelyn Cervantes was fourth in the 10,000 meters, third in the 1500-meters in a season best 5:13.64, and second in the 5000-meters (20:01.17). **Yvette Taverez** was third for bronze in the 3000-meter steeplechase (12:55.35). Sophomore **Beatriz Duarte** picked up a State "B" qualifying mark in the 10,000 meters on Wednesday in 40:47.88.

**Softball Update**

Last week, we had finished the regular season. Our record was 26-10 overall for the season. In league, we placed second with a league record of 11-4. We met at San Jose City for the All-League meeting. We were able to get four players first team All-League and four second team All-League. First team All-League were: Kaitlyn Doyle, Kaitlin Shipman, Harllee Noda, and Beth Cardenas. Second team All-League were: Dee Caoili, Emily Espino, Dre Gutierrez, and Angelina Ruiz. Last weekend, we had another meeting at San Mateo for the NorCal seeding and state awards. We had three make it as NorCal players: Kaitlyn Doyle, Kaitlin Shipman, and Harllee Noda. As a team we were ranked ninth in NorCal.
Student-Athlete Council Held Its Last Meeting of the Year!

On May 5, 2017 the Student-Athlete Council or commonly known as (SAC) met for the last time this year. The group will be looking for more student-athletes to represent their sport in the Council and help promote Hartnell Athletics to the Hartnell community. For more information or if you would like to join feel free to contact advisor, Travis Babin at tbabin@hartnell.edu or call at 831-755-6843.

Oscar the Panther adventures

On Friday, Oscar the Panther visited the Dreamers’ Club, the Cinco de Mayo Celebration, and stopped by the Office of Advancement where he met the fearless Matthew Owen. In all areas, Oscar was a hit.

STEMArt Show – Building S

The STEMArt team coordinated a STEMArt show throughout the STEM Center Building. STEM Students were encouraged to create artwork that illustrates the significance of their disciplines - STEM and Art. The art will be on display for two-weeks. Stop by building ‘S’ and see for yourself!
Spring Ceramics Sale

May 2 - 3, 2017, the Arts department coordinated a Spring Ceramics Sale, featuring the art work of students from the ceramics class. The event was held in the Student Center and many of Hartnell’s students, staff and faculty stopped by to support the cause and score one-of-a-kind artistic treats! Funds raised go back to the program.

Hartnell College supports Youth Orchestra Salinas

Jackie Cruz, VP of Advancement; Ashton Clarke, Philanthropy Officer; Priscilla Amao, Philanthropy Officer; and I were proud to represent Hartnell College at the Annual Youth Orchestra of Salinas (YOSAL) Gala Fundraiser at Corral de Tierra. El Sistema USA/Salinas, Inc., dba YOSAL is nonprofit organization committed to transforming the lives of our youth and communities through the inspiration, discipline, and performance of classical ensemble music. Founded in the summer of 2010, YOSAL is an El Sistema-inspired orchestral and choral education program. Under the direction of YOSAL Teaching Artists and coaches from the Monterey Symphony, Bach Festival and Monterey Jazz Festival, students from kindergarten through high school engage in daily practice and music classes after school, perform regularly on stage in one of the orchestras, our choir, or one of several music ensembles. They learn to be responsible citizens and develop interpersonal and collaborative skills as their self-confidence grows. Working with local school boards and social organizations, YOSAL is tuition-free program and operates year-round.

Director emcees Noche Bohemia in Salinas for the 10th year

On Saturday, April 29, 2017 Hartnell’s Director of Communications, Marketing, and Public Relations, Esmeralda Montenegro-Owen, was the Emcee for the 10th Annual Noche Bohemia in Salinas. She has
participated as emcee for all 10 years. She shared the stage with radio colleague Maggie Fernandez.
Noche Bohemia was held at Sherwood Hall; it is a celebration of the arts in all its forms. The 3-hour show featured over 50 artists and was attended by over 1,000 community members, with many Hartnell students and employees in attendance. Congratulations to event Founders Adela Castillo and Jose Alejandro Moran for their vision and mission to promote our local artists.

Out and about
Hartnell invited to celebrate Anniversary of Estrella TV
Estrella TV celebrated its first year on the air in the Central Coast. It is under the umbrella of KSBW and, according to General Manager Joe Heston, it was the best move they could have made.
The celebration was held at the Maya Cinema and attended by Esmeralda Montenegro-Owen and Priscilla Amao. Hartnell College is one of the vendors that advertises via both Estrella TV and KSBW.
