WORKING ON GUIDED PATHWAYS? JOIN US AT THE BAY AREA LEARNING CLUSTER!
Join us in the first of a series of events designed to support Guided Pathways work in the Bay Area. This Bay Area Learning Cluster event will highlight the program mapping process for Cabrillo College.

DESCRIPTION FROM OUR COLLEGE PARTNERS
Cabrillo College has successfully implemented a process to create program maps for all programs on campus as part of our Guided Pathways work. But we encountered some bumps along the way, including instructional faculty resistance and counseling faculty workload issues. Come hear how we overcame these challenges and created a process that has produced the first drafts of our program maps.

WHO SHOULD JOIN?
• Counseling and Instructional Faculty
• Student Support Faculty and Staff
• Administrators, Program Directors, Classified Staff
