There Are Five College Re-Design Guided Pathways Design Teams

These are teams staff, students, full-time faculty, part-time faculty, administrators, and community members can join and contribute ideas to develop designs aimed at helping students at a particular stage of progression succeed and continue to make progress towards their educational goal. Below are brief descriptions of each team and meeting days.

- **Pre-Enrolled Students Team** – may deal with dual enrollment, curriculum alignment with high school districts, bridge programs, promotion of a college-going culture in the Salinas Valley: **Team will meet monthly on first the Friday each 8:30 a.m. to 10:00 a.m.**

- **Entering Students Team** – may deal with strengthening student advisement, curricula revision for developmental learners, acceleration through transfer level math and English, program mapping to align with transfer and employment, development of meta-majors, expansion of the most effective academic and non-academic support services: **Team will meet monthly on first the Friday of the month 1:00 p.m. to 2:30 p.m.**

- **Continuing Students Team** – may deal with cultivating scalable high impact practices into instructional and service delivery, identification of students whose progress is lagging, tools to help students track their progress, development of the most effective course scheduling options: **Team will meet monthly on the first Tuesday of the 3:00 p.m. to 4:30 p.m.**

- **Completing Students Team** – may deal with better aligning completion supports for student employment and student transfer, tools to support career planning, enhanced engagement of industry in the support of workforce programs, promotion of internship opportunities, and expansion of articulation agreements with 4-year institutions: **Team will meet monthly on the fourth Friday of the month 9:00 a.m. to 10:30 a.m. at the Alisal Campus.**

- **Facilitation Team** – may deal with prioritization of funding to achieve strategic plan goals, expansion of leadership capacity to improve Hartnell’s readiness for organizational change, deepening of engagement of college employees, greater linkage of student financial assistance to student success outcomes, increased focus of the governance system on strategic plan goals: **Team will meet monthly on the second Monday of the month 3:00 p.m. to 4:30 p.m.**
