College & Career Access Pathways (CCAP): Dual Enrollment courses that are decided by the high school district and Hartnell that allows high school students begin on a pathway to college/career.

Non-CCAP: Traditional Concurrent Enrollment allows high school students to enroll in College courses independently.

CCAP

- Classes during the high school day at your high school
- Restricted enrollment to your high school district
- \$0 cost to students (no fees, no textbook costs)
- Support & Guidance with enrollment process

VS.

NON-CCAP

- Before or after school typically offered at a Hartnell Campus
- Open enrollment to the public
- Student is responsible for student activity fee, textbook & material costs
- Self-guided enrollment process

(Unit Maximum of 9-units Fall/Spring & 6-units Summer, exceptions need to be approved by Dean of Enrollment Services)

- **Support with enrollment process**
 - ***After your application, concurrent enrollment forms, and placement are processed; HARTNELL WILL MANUALLY REGISTER YOU IN YOUR CCAP CLASSES***
- **Hartnell will send one (1) free official transcript to your high school registrar per class**
- **Early access to college courses & services**
- **College textbooks are loaned out to you by your high school**
- **Priority registration with Hartnell College as first-time freshman**
 - **Priority Registration Group 2**
- **Save money & time to earning your college degree/career pathway!**

- CCAP courses are academically rigorous
- Students will need to practice self advocacy and time management
- Grades become a part of a student's official permanent college record
- Receiving a grade of "W/D/F/NP/I" in a college class as a high school student may have financial aid implications & can result in academic probation status at the college.
