- Students earning an Associate Degree for Transfer (ADT) AA-T/AS-T, are not required to complete an Ethnic Groups course.

**Indicates number of transfer units may be limited by UC or CSU or both. Consult with a counselor for additional information.

IGETC CERTIFICATION:

“Certification” means that Hartnell College has verified that a student has completed the lower division general education requirements for the University of California or California State University. Certification is important because without it students will be held to the general education requirements specific to the UC or CSU campus to which the student transfers. Courses from other colleges and universities may be considered for certification through a process called “pass along certification”: 1) courses taken at other California Community Colleges will be certified in the subject areas (AREA 1 – 6) approved by the institution where the courses were taken, and 2) courses taken at other regionally accredited colleges and universities will be certified only if the course is determined to be equivalent to a course in Hartnell College’s IGETC Certification Pattern. *It is the student’s responsibility to request certification by submitting a form to Admissions & Records or by making a note in the “Special Instructions” box when submitting online Transcript Request.*

EXTERNAL EXAMINATIONS APPROVED TO CLEAR SPECIFIC IGETC AREAS: Advanced Placement (AP), International Baccalaureate (IB) See the current Hartnell College catalog pages on External Examinations that indicate equivalent general education area or elective units that could apply with appropriate scores. (Examinations may also be included in the IGETC Certification. (See a counselor for complete list of exams and unit limitations.)

IGETC for STEM: Certain Associate Degrees for Transfer (AA-T/AS-T) use IGETC for STEM. The IGETC for STEM option allows students to follow the general education pattern but delay one Arts or Humanities, one Social and Behavioral Science course and the LOTE requirement until after transfer. The AA-T/AS-T degree catalog page lists the degrees approved for IGETC for STEM.
