The Hartnell College Student Ambassador Program is a group of outstanding student leaders who are selected to represent the Office of Student Life and Hartnell College in many capacities. Student Ambassadors are dedicated to student success, strengthening student connections, enjoy working with people, are committed to creating change in their community, and are excited about sharing their experiences at Hartnell College with others.

Student Ambassadors serve as representatives of the student body and work to promote the Office of Student Life and Associated Students of Hartnell College programs and services. They assist with campus tours, special events, speaking engagements, community service, and support with recruitment and high-school visits.

Application Procedure

To be considered for the program, candidates must complete a Student Worker Application located at the Office of Student Life. Potential Student Ambassadors go through an extensive interview process before being selected for the program.

What are the benefits of becoming a Student Ambassador?

- Paid, on-campus student employment (Student Worker III), with flexible hours.
- Opportunities for campus exposure, making the Student Ambassadors some of the most visible and well-known students on campus.
- Development of personal growth, self-esteem, leadership skills and a professional resume.
- Unparalleled experience in public relations (meeting people, public speaking, representing the College) which help develop the skills and confidence vital to future success in job interviews and career advancement.

What duties are performed by the Student Ambassadors?
