

## 2021 Kim Kelley Memorial Nursing Scholarship

In memory of Kim Kelley, a Hartnell College nursing graduate who excelled as an Emergency Department RN at Salinas Valley Memorial Hospital.

### **Open to:**

Nursing students who are currently attending or have recently been accepted to Hartnell College's Registered Nursing Program who are interested in pursuing a career as an emergency department nurse. Applicants must be U.S. citizens or permanent resident aliens, be at least 30 years old, and meet at least 3 of the following criteria:

- a. Currently a first responder including firefighters, paramedics and EMT's
- b. Qualify as low income, with household income falling at or below 80% of the median family income
- c. Resident of Monterey County
- d. Must be custodial parent of child under 18

### **Application Requirements:**

Applicants must be in good academic standing at Hartnell College, having not been on academic probation within the past 2 semesters. Applicants must express an interest in becoming an emergency department nurse. Consideration is given to financial need.

### **Award Amount and Terms:**

\$5,000 scholarship will be awarded. Payment will be made directly to the Financial Aid Office at Hartnell College and may be used to offset the cost of tuition, academic fees, books, lab supplies, uniforms and other required program costs only.

### **How to Apply:**

Complete the online or paper application, including an essay which relates to the applicant's plans in the nursing field. A financial need form must accompany the application, along with your prior year's tax return.

### Application Process:

Please submit the application and required attachments by **September 30, 2021**.

### Required Attachments:

1. Personal statement (essay) describing why you are you interested in Emergency Department Nursing and any other information about yourself that will be useful to the scholarship committee while considering your application.
2. Completed financial statement, including a copy of your 2020 tax return.
