HARTNELLCOLLEGE

Dear summer and fall students,

Thank you for choosing to begin or continue your education with Hartnell College!

You have made two good decisions – to pursue your educational and career goals, and to enroll with Hartnell. Our knowledgeable and supportive faculty and staff will do all we can to help you accomplish your objectives, now and in the future.

Our college is continuing its return to in-person instruction, but we also offer many online classes for students who desire that option. We have been excited to welcome students to our new education centers in Castroville and Soledad, as well as the expanded center in King City. The new Center for Nursing & Health Sciences on our Main Campus is also now open and providing many new learning opportunities.

To help ensure the safety of our entire community, we continue to require all students and employees to be fully vaccinated for COVID-19, with limited exceptions. Thank you for cooperation with this policy, along with other safety measures that may remain in place as we work through this ongoing challenge.

Faculty will introduce you to essential tools on the Canvas online learning platform, and our counseling, financial aid and tutoring staff – among others – are ready to help via email, Zoom and telephone. We maintain an extensive list of resources for students on our website, and I encourage you to take full advantage of those.

Again, congratulations on your enrollment at Hartnell, and best of luck to you this summer and fall!

Sincerely,

Steven Crow, Ed.D.
Interim Superintendent/President
Hartnell Community College District

Frequently Asked Questions

Do I need to take an assessment test?

No. Hartnell College no longer uses assessment testing for placement for English, Math and ESL courses. Hartnell College has adjusted its placement rules for incoming students to make them immediately eligible to enroll in transfer□level Math, English, and ESL courses, in line with the requirements of Assembly Bill 705 (AB 705), which took effect on Jan. 1, 2018. In addition to high school coursework and grade point average, the college will use multiple measures to place students into transfer□level English and Math coursework.

How do I determine which English, ESL and/or Math class I need to take? **(New and Continuing)**

You will need your PAWS login to save your placement.

1. Receive help from the **Counseling Office by calling (831) 755-6820.** During this call a staff member will walk you through the self-guided placement process to help you determine the best English and Math courses based on your educational goals, and educational history.
2. Do you need additional guidance? Call the **Hartnell College Counseling Department at (831) 755-6820** to meet with a Counselor or visit our website to make an appointment. We are here to support you.

How do I determine which English and/or Math class I need to take? (Concurrent & Dual Enrollment)?

Concurrent Enrollment Students

Students who are currently enrolled as high school students and planning to enroll at Hartnell College outside of their regular school day are considered Concurrent Enrollment students. Concurrent Enrollment students will need to meet with a counselor to determine their course placement. Counselors are available at Express Counseling (no appointment needed); General Counseling by appointment at (831) 755-6820. ***High school transcripts (unofficial) are required. Please plan accordingly.***

Dual Enrollment Students

Students who are currently enrolled as high school students and planning to enroll in Hartnell College coursework being delivered at the High School as a part of their regular school day, are considered Dual Enrollment Students. Dual Enrollment Students will need to meet with a counselor to determine their course placement. This process is facilitated by the Dual Enrollment Coordinator at your school site or District.

I am interested in English as a Second Language Courses. As of Fall 2020, students who plan to enroll in English as a Second Language (ESL) courses will be asked to go through guided self-placement for placement into the appropriate ESL course. If you would like help with ESL Placement, please call **(831) 759-6046.**

Who should enroll in English as a Second Language Courses? English as a Second Language courses at Hartnell are designed for students who have immigrated to the US and want more support with reading and writing in college. Students can also choose courses that help them with vocabulary, pronunciation, and listening/speaking.

Hartnell College offers coursework in English Reading and Composition (College-level), credit-based English as a Second Language (intermediate to advanced level), and non-credit English as a Second Language (beginner level). Please go to our website to learn more about ESL and English Coursework https://www.hartnell.edu/academics-affairs/academics/languages/english-second-language-esl.html

But if you are still learning the English language, then English as a Second Language (ESL) courses are a great option! The credit ESL program helps you build your English skills and leads you to college-level English courses. Taking the right class is very important to save you time and money. This is one of the most important first steps to make sure you are successful in your college career and meet your goals. The credit ESL program is designed to lead you directly to college-level English composition in three years or less! To discover your course placement, you may use the Online Placement Tool, or make an appointment to **meet with a Counselor by calling (831) 755-6820.**

What services are available for students with disabilities?

The ESL Placement Tool is not a test and is accessible to most students with disabilities. Additionally, students with disabilities may arrange for modified assessment test by calling the Department of Supportive Program and Services (DSPS) at (831) 755-6760.

Students with disabilities are encouraged to meet with a DSPS counselor to develop an education plan and to enroll in classes at Hartnell College. A DSPS counselor enriches the educational experience of students with disabilities by addressing the individual needs of each student's strengths, weaknesses, as well as disability accommodations and services into the educational planning process.

What if I don't know how to use a computer?

No computer skills are required and the Counseling Office Staff is available to help you in using a computer to access the Online Placement Tool, if needed.
