Welcome

HARTNELL COLLEGE

Summer and Fall 2021 courses will still offer many courses online. However, we are striving to phase in more hybrid and in-person classes. We are taking a cautious and measured approach because we want to ensure the safety of both our students and our employees. We will continue to require everyone on campus to wear a face mask, to practice social distancing, and to follow other health and safety protocols to counter the spread of COVID-19 and its variants.

PAGE 1
Welcome to Hartnell College!

We are pleased that you have made the choice to attend Hartnell and our aim is to do everything possible to make your educational experience an exceptional one. Because we want your experience to be exceptional, Hartnell provides an array of instructional and student support services to respond to the needs of our students. No one does it alone, so whether you need financial aid, tutoring, educational or career planning, child care, food assistance, or have other needs, please don’t hesitate to ask for assistance so that we may understand how best to meet your specific needs.

This past year has been a difficult one as we have all dealt with the various effects of the COVID-19 pandemic. Although we still have a long way to go, Hartnell College and the greater community are on the road to recovery. While we will still offer many of our classes online for the immediate future, we are striving to phase in more hybrid and in-person classes. We are taking a cautious and measured approach because we want to ensure the safety of both our students and our employees. Safety is a priority concern and we will continue to require everyone on campus to wear a face mask, to practice social distancing, and to follow other health and safety protocols to counter the spread of COVID-19 and its variants. We also encourage all students to get vaccinated as soon as they are eligible. There is a lot of misinformation circulating about the different vaccines, but vaccination is our best chance to defeat COVID-19. So please get vaccinated!

We want all of our students to succeed and that is why we are here to support you at every step of the way on your educational journey. Hartnell offers a wide range of transfer and career pathways. Whatever your goals, we want to help you to fulfill them. In the end, your success is our success!

On behalf of our Board of Trustees and our staff, faculty, and management, we wish you great success in your educational experience at Hartnell College.

Go Hartnell Panthers!

For additional guidance, please call the Hartnell College Placement at (831) 759-6054.

Frequently Asked Question

Do I need to take an assessment test?
No. Hartnell College no longer uses assessment testing for placement for English, Math and ESL courses. Hartnell College has adjusted its placement rules for incoming students to make them immediately eligible to enroll in transfer-level math, English, and ESL courses, in line with the requirements of Assembly Bill 705 (AB 705), which took effect on Jan. 1, 2018. In addition to high school coursework and grade point average, the college will use multiple measures to place students into transfer-level English and Math coursework.
How do I determine which English and/or Math class I need to take? (Concurrent & Dual Enrollment)?

Concurrent Enrollment Students
Students who are currently enrolled as high school students and planning to enroll at Hartnell College outside of their regular school day are considered Concurrent Enrollment students. Concurrent Enrollment students will need to meet with a counselor to determine their course placement. Counselors are available at Express Counseling (no appointment needed); General Counseling by appointment at (831) 755‐6820. High school transcripts (unofficial) are required. Please plan accordingly.

Dual Enrollment Students
Students who are currently enrolled as high school students and planning to enroll in Hartnell College coursework being delivered at the High School as a part of their regular school day, are considered Dual Enrollment Students. Dual Enrollment Students will need to meet with a counselor to determine their course placement. This process is facilitated by the Dual Enrollment Coordinator at your school site or District.

I am interested in English as a Second Language Courses. As of Fall 2020, students who plan to enroll in English as a Second Language (ESL) courses will be asked to go through guided self-placement for placement into the appropriate ESL course. If you would like help with ESL Placement, please call (831) 759‐6054.

Who should enroll in English as a Second Language Courses? To discover your course placement, you may use the Online Placement Tool, or make an appointment to meet with a Counselor by calling (831) 755‐6820.

Additionally, students with disabilities may arrange for modified assessment test by calling the Department of Supportive Program and Services (DSP&S) at (831) 755‐6760.

Financial Aid consists of programs funded and regulated by the federal and state governments. The programs consist of three different types: Grants, Work, and Loans.

- **Federal Pell Grant** could range per academic year. Grants are awarded according to a formula based on need.
- **Federal Supplemental Education Opportunity Grant** funds are limited. Funds may range from $100 to $200 per academic year depending on Federal Allocations.
- **CA Promise Grant** is a program that waives enrollment fees for eligible California residents and students who qualify for a non-resident exemption under Assembly Bill 540.
- **Cal Grants A, B, and C** are awarded by the California Student Aid Commission to eligible students. Students can only receive one type of Cal Grant.
- **CA Dream Act** also known as CODAA allows undocumented and non-resident students who qualify for a non-resident exemption under Assembly Bill 540 to receive certain types of state financial aid. The application should be submitted annually.
- **Federal Work-Study** is aid earned through work. Eligible students may earn up to $3,000 in an academic year.
- **FAFSA** also known as the Free Application for Federal Student Aid should be submitted annually to determine eligibility for federal and state financial aid.
- **The Salinas Valley Promise Program** at Hartnell College combines instructional excellence with professional guidance, leadership development, and life-skills training to ensure your success. The program also waives in-state enrollment fees as a first-year, full-time student.
- **Students enrolling Fall 2021 through Summer 2022** should complete the 2021-22 financial aid applications.
