IMPORTANT MESSAGE**

Dear High School Student:

Congratulations on making an important decision by considering taking a college course! This is a great opportunity to get ahead, earn college credits, and learn something new while you are still in high school. It is also a big responsibility, so we want to make sure you are fully informed and feel ready to take on a college class!

Schedule of Classes

Classes will be offered both online and in-person. Some courses may be fully online or require some face-to-face contact. Online courses may be either synchronous (requiring mandatory meeting days/times) or asynchronous (no required mandatory meeting days/times). It is important to read the Comments section for your course in PAWS for specific details.

Access to reliable technology will be important to your success in your college class. Free Wi-Fi internet access is available at all Hartnell College locations.

College Grades

You are taking a college class and earning college grades. This means that you will have an official academic record at Hartnell College. This record will be in place forever! Failing classes could result in losing your academic standing and may affect financial aid in the future. Take your coursework seriously and drop a course before it becomes a failing grade.

Add/Drop Deadlines

There are deadlines to add and drop classes every term. These deadlines are important to note. It is your responsibility to drop a class if you choose to not continue. If you stop showing up, it could become an F. You are able to add and drop via PAWS Self Serve.

Books

Textbooks are not provided. Some classes will use free online resources; others will require purchasing or renting your textbooks. The Hartnell College Bookstore has all of the textbooks available on their website. Plan ahead, especially in summer, you will need your books the first week of class!

We are here to help!
