President Cabrera

Discussion(15 min)

This item is debrief on Suicide Prevention Month.

Soledad - Didn't really hit as many students due to many of them taking night classes but they did receive a lot of community members. We had a raffle, the presentation went well, and there were still a good amount of people (75 people).

Main Campus - Saw a lot of people from Castroville who attended the event. KSBW was there.

There weren't many people in the presentation but there were still a lot of people in attendance.

Overall, good turnout. Success!

4.03 Remembrance Day Debrief

President Cabrera

Discussion(20 min)

This item is to discuss Remembrance Day.

- The flag raising was a good concept. It was an awkward time since there were not as many

students but the time chosen was supposed to represent when the towers hit so it was unfortunate.

A good turnout because it is a day to remember.
